

# Joseph (Joe) Pentasuglio

## Vice President

A management professional with over 22 years' experience in mid-sized private businesses serving the aerospace, automotive and industrial markets. Joe is a strategic thinker and tactical planner focused on growing product lines, superior customer service, motivating employees and maximizing shareholder value.

K

As a member of the Senior Leadership Team, Joe is engaged in development, facilitation of the company's key strategies to strengthen operational effectiveness, operations management and process improvement. This role has allowed him the opportunity to participate in strategic planning, strategy development, corporate objective setting, business transition, business acquisition, business startups, business development, mentorship as well as broad general management of manufacturing operations.

Joe holds a Bachelor's degree from the University of Dayton and the University of North Carolina. He holds a Bachelor's in Engineering Technology and a Master's in Business Administration respectively. He completed his graduate education at the Center for Creative Leadership and the Leadership Development Program, and regularly participates in executive education at the Weatherhead School of Management at Case Western Reserve University recently completing the Leadership Deep Dive program.

Outside of the community Joe serves as President of the Akron Area *Booster Club*, fundraises for *Ballet Excel Ohio* and *Valley Youth Ballet*, and is a former member of the *Management Client Advisory Board* and the *Mechanical Engineering Technology Industrial* Association.

When in New York, Joe was immersed in family businesses and entrepreneurship, the unique perspective of which instilled in him the virtues of hard work and persistence. Joe and his family make their home in Akron where they are
